I'll be available at 6 so we have some overlap.

Okay. I did check on flights. I could possibly leave at 10:55 pm tonight and get into Reagan at 8:54 am tomorrow if need be. I just don't know availability of gov flights, but I guess that doesn't necessarily matter in an emergency.

Yes, don't feel strongly about presence, but that may help Eric, things move fast in the EOC, so perhaps send Kevin down and then we go from there.

My first preference is Eric via his office in Las Vegas with me helping too.

I just wanted to see if you strongly preferred someone in person. If so, I would start with Kevin Garrahan since he is familiar with the EIC and incident command. But, I would have to rotate people of course if the coverage needs many days.

Thoughts?

Dana, Josh -

I must have misunderstood your request for EOC contacts earlier today as i gave you my name and Eric Koglin's, and we are both located outside DC.

ORD can supply an in-person rep to man the EOC. Would you like a ORD in person at the EOC, or is off- site OK? We will make either way work. Thanks.

Greg
